Registration and Access to the UNON Compound

Participants attending the Eval Week 2019 must register on-line at [https://unhabitat.org/unegevalweek2019](https://unhabitat.org/unegevalweek2019) before 31 March 2019 in order to obtain an access pass to the UNON Compound. Please note that you will be required to upload a photo in jpeg format, with a white background, measuring 1.5 inch by 1.5 inch.

UN staff attending Eval Week 2019 with New York and Geneva blue UN access badges, can use these badges to access the UNON compound. UN staff with a valid United Nations Laissez-Passer (UNLP) and non-UN staff will be issued a UNDSS Identification badge on the first day of attending the Eval Week 2019.

For all participants prior registration to attend the Eval Week is required to facilitate access to the UNON Compound. On the first day of the conference, there could be a bit of wait at the entrance so you may wish to arrive in good time (early enough).

For security reasons, the identification badge must be worn and visible to UNON Security staff at all times while in the UNON Compound. Lost passes should be reported as soon as possible.
Entry

Entry to the UNON Compound is via the UN Avenue – off Limuru Road. The pedestrian access is through the Pavilion, north of the main vehicle access gates opposite the United States Embassy. Vehicles can drop off their passengers at a drive-in space in front of the gate.

All participants need to be registered prior to the meeting to be allowed access (see above). Participants will be screened upon entry and weapons, ammunition, flammable items or sharp objects are forbidden. Participants will be issued with identification badges which must be worn at all times whilst inside the UNON Compound.

Online Community of Practice

UNEG colleagues are invited to join SLACK ("Searchable Log of All Conversation and Knowledge") to find Evalweek documents, discuss Evalweek topics, share ideas and thoughts, and receive update/notifications. SLACK App is also available for smart phone, iPad and desktop computers.

Documentation

The UNEG 2019 Evaluation Week will be paperless. Participants will have access to all documents and statements on the UNEG website as they become available.

Please consult this site or SLACK regularly for any announcements or updates concerning the meeting.

Hotel and Guesthouse Accommodation

Participants are responsible for making their own accommodation arrangements. Hotels close to the UNON compound include Tribe Hotel – the Village Market Hotel, Trademark Hotel by Tribe (both adjacent to the Village Market mall) and Comfort Garden, which is also close to Village Market. These hotels are within 2km distance to UNON compound. Guesthouses within 1-1.5km distance to the UNON compound are Villa Leone, Tara Suites, and Shanema Homes.

A block booking at Tribe Hotel for 30 rooms has been made at $130 (B&B) per room which will be allocated on a first come, first served basis.

For more options, please see list of recommended Nairobi Hotels and Guesthouses in Annex 1 and 2.

Nairobi has a wide range of hotels and guest houses including AirBnB options. Participants should consider that hotels located at a distance to UNON Compound will need to make transport arrangements and that Nairobi traffic is highly congested during morning and afternoon rush-hours.

While participants are not required to use the hotels and guesthouses on the lists provided, they should be vigilant about selecting safe and appropriate accommodation. This includes any information on the accommodation and what safety and emergency procedures are in place.

Time Zone

Jomo Kenyatta International Airport (JKIA) in Nairobi

Most international visitors will arrive through JKIA. While it is about 28 km from the airport to the UN compound, traffic is unpredictable and the journey can take between 45 and 120 minutes, depending on the time and day.

Many hotels provide courtesy shuttle services to/from airport and in some cases from the hotel to the UNON compound. Visitors should advise their hotels in good time of their transportation needs. In the absence of a courtesy bus, visitors may use reputable taxi companies.

Recommended taxi companies are listed below:

- Hilltop +254 (0)20 272 3270
- Jaycab Taxis +254 (0)20 721 0520 or +254 (0)733 750455/ (0)723 239750

Banking and Currency Exchange Facilities

Currency and exchange rates

The official currency of the Republic of Kenya is the Kenya Shilling (KES). As of 12 February 2019, the exchange rates are:

- 1 US Dollar = KES 99.85
- 1 EUR = KES 112.85

Foreign currency can be changed at the airport, which has 24-hr service, banks and foreign currency exchange bureaus. Banks with ATM services in major centers across the city are open from 09:00 to 16:00hrs Monday to Friday and from 09:00 to 12:00hrs on Saturdays. Some ATMs dispense US Dollars. Major international cards are accepted. Credit card fraud occurs in Kenya, as in most other parts of the world, therefore the usual standard precautions should be taken.

Information on banking and currency exchange services available at UNON are available below.

The following places are in or near UNON for currency exchange:

- Kenya Commercial Bank (KCB), Standard Chartered Bank and UNFCU are located on the ground floor in the UNON compound, next to the Delegates Lounge.
- Emerald Gardens’ Bureau de Change: From the UNON main gate, cross the road, turn right and walk about 200m. You will find a Chinese Pagoda building to your left, where the Forex Bureau de Change is located on the first-floor houses and other banking facilities. There is also National Bank of Kenya in this complex.
- Warwick Center from the main gate of the United Nations, cross the road, turn left and walk about 100 m. The building will be to your right, in a complex of shops, banks, restaurants and offices. There are two ATMs and a Stanbic Bank located here.
- Gigiri Square is next to Warwick Center, but before the Mediterraneo Restaurant, on the same side of the road, housing KCB, Equity Bank, and I&M Bank.
- Village Market is a shopping mall and a 3-minute taxi drive from the main gate of UNON. There are several banks and forex bureaus at Village Market.

ATMs

There are four ATMs in the UNON Compound all on the lower concourse: two next to KCB, one near the UNFCU and one next to Standard Chartered Bank.

There are also two ATMs (KCB and UNFCU) at the UN Commissary at the northern end of the UNON Complex.

Electricity

The electrical currents in Kenya are 220 - 240 Volts, 50 Hertz. Kindly, note that Kenya uses the 13A 3 [square] wall switch socket outlet.

Official Languages

The official language of the Republic of Kenya is English and the national language is Swahili.
Health

A yellow fever vaccination certificate is required if you are arriving in Kenya from a country with risk of yellow fever transmission. Please seek further advise from your travel agent or doctor in your home country, who should have information on vaccination requirements for visitors into Kenya. For advice on other vaccinations recommended for visitors to Kenya, please contact the UNON Joint Medical Service http://medical.unon.org/. Usefull information can also be obtained from the WHO website http://www.who.int/ith/en/

Malaria is common throughout the year in many parts of Kenya. Nairobi, the capital city, is generally malaria-free but this does not exclude the need to stay safe from infection by mosquitoes. It is recommended to consult your doctor about malaria prophylaxis if travelling into Kenya and beyond Nairobi. Adequate safeguards against mosquito bites are advised (insect repellent, bed nets, clothing with long trousers and covering the arms).

Food and waterborne diseases including diarrhea are common – depending on the hygiene standards of the places you visit. Drinking water directly from the taps is not advisable. Drink only bottled water with unbroken seals. Avoid raw foods other than fruits and vegetables that you have peeled off yourself. Wash hands frequently with soap and water or sanitizers at designated spots in eateries and restaurants.

Any medical costs incurred during the stay in Kenya shall be borne by the meeting participants directly and in arrangement with their own health insurance.

UN Security Training

BSAFE is the new online security awareness training. It replaces both Basic Security in the Field (BSITF) and Advanced Security in the Field (ASITF).

BSAFE is mandatory for all UN personnel, including staff, interns and consultants.

BSAFE can be completed within one hour and is mobile friendly. Learners will be able to access it using computers, tablets and smart phones, without requiring the installation of additional plug-ins. It is accessible for persons with a wide range of disabilities.

BSAFE will be released in English and French in the fall of 2018, and in the other UN official languages by early 2019. All UN personnel, including interns and consultants, are expected to complete this mandatory course by 30 June 2019. Until that time, BSITF and ASITF certificates will still be valid.

United Nations Office at Nairobi (UNON) in Gigiri

The 140-acre UNON compound is adjacent to the famous Karura Forest (2000ha), a unique public facility under the management of the Kenya Forest Service. Well-demarcated nature trails, jogging lanes and cycling paths provide a wonderful environment for recreational activities, including walking, and mountain biking (there is a bike hire facility). The forest offers a chance to observe local wildlife such as red duikers, bushbucks, squirrels, white-tailed mongoose, and Sykes monkeys and Colobus monkeys. Several bird species can be spotted, including crowned cranes, Egyptian geese, crested eagles, green pigeons and hoopoes. Colorful butterflies and animals, such as reptiles and amphibians are frequently sighted. Due to the Karura Forest Plastic Ban, visitors are not allowed to bring in single use plastic bottles, plastic bags or plastic food wrappers. You can bring water in a re-usable bottle or drink water before you enter the Forest. For any garbage the rule is “You bring it in, you bring it out”. Karura Forest Official
Opening hours: 06:00AM – 18:00PM. Main entrance from Limuru Road. Daily Entry Fees (adult): Citizen 100Ksh, Residents Ksh200, Non-residents Ksh600.

While at the UNON Compound in Gigiri, please refrain from feeding the Sykes’ monkeys. They are wild animals and should not be fed with any left-over food meant for human consumption. This is bad for their digestive systems and their teeth. It also encourages them to snatch food and come into conflict with humans.

The UNON Compound has a variety of unique natural habitats and thematic artefacts. It also boasts an ecologically balanced environment, with a set of constructed wetlands filled with reed-beds and artificial water features, to support its primary wastewater treatment. A designated biodiversity ‘arboretum’ with an assemblage of indigenous tree species is situated on the southern end of the Compound with nature trails. Staff use this biodiversity feature for jogging, in addition to the paved walking tracks along the perimeter fence of the compound.

**Catering**

Coffee and refreshments will be provided during coffee breaks.

*Please note the UNON Compound does not use single use plastics.* Drinking water will be available, and participants will be provided with a re-usable water container. There will be water dispensers in or near the meeting rooms.
