CALL FOR PROPOSALS

The UNESCO World Heritage Centre is looking for a team of experts/evaluators to carry out a renewal evaluation of the Centre for World Natural Heritage Management and Training for the Asia and Pacific Region, a UNESCO Category 2 Centre based at the Wildlife Institute of India (Dehradun, India).

Proposals should reach UNESCO (wh-apa-c2c@unesco.org) no later than 12 November 2023 (midnight, Paris time).

Context

Category 2 institutes and centres under the auspices of UNESCO are a global network of institutions of excellence in the Organization's domains of competence. Given their expertise, these institutes and centres contribute to the implementation of UNESCO's priorities, programmes, and global development agendas during a defined period. They foster international and regional cooperation, research, knowledge production, policy advice, and capacity enhancement. Though independent of UNESCO, category 2 institutes and centres are a privileged partner of the Organization with access to international and intergovernmental bodies and networks, and may leverage UNESCO's international reach and convening powers. Category 2 institutes and centres under the auspices of UNESCO are an integral part of the Organization's Comprehensive Partnership Strategy.

The UNESCO Strategy for Category 2 Institutes and Centres under the auspices of UNESCO\(^1\) provides that an agreement for the establishment of a category 2 institute or centre is for a defined time period, not exceeding eight years. The agreement may be renewed by the Director-General, with the approval of the Executive Board, in light of an evaluation of the activities of the institute/centre and of its contribution to the strategic programme objectives of the Organization and the aforementioned Strategy.

The 37th session of the General Conference, in its 37 C/Resolution 47, approved the establishment in the Wildlife Institute of India (Dehradun, India) of the Centre for World Natural Heritage Management and Training for the Asia and Pacific Region, (hereafter, ‘the Centre’). An agreement between the Government of India and UNESCO was signed accordingly for the period of six years (2018-2024). The Government of India submitted a request for renewal of the agreement. To this end, an evaluation of the Centre will be carried out.

The Centre mission is to strengthen the implementation of the World Heritage Convention in the Asia and the Pacific region by strengthening the application of the decisions and recommendations of the World Heritage Committee for the benefit of World Heritage sites in the region.

The main objective of the Centre is to act as a relay for the action of the World Heritage Centre and its partners in the Asia and the Pacific region by federating regional energies around the conservation, management, promotion and presentation of the region's natural heritage, in order to contribute to the achieving of a more balanced representation of properties from Asia and the Pacific on the World Heritage List; to raise awareness of the importance of World heritage and of the need to protect it among the general public and the youth in particular and to foster international cooperation on World Heritage initiatives.

In support of these objectives, the main functions of the Centre are to:

- conduct short and long term capacity building programmes, including workshops, courses and international conferences;
- undertake research on identified priority issues related to World Natural Heritage protection and management, with particular focus on models of community participation;

\(^1\) Available at: https://ich.unesco.org/doc/src/46612-EN.pdf
• develop and maintain a documentation centre accessible to the public on World Natural Heritage issues relevant to the region;
• implement programmes for the exchange of experts with other regional resource centres; and
• coordinate its activities with the States Parties, the World Heritage Centre, the Advisory Bodies of the World Heritage Convention and the network of existing Category 2 Centres related to World Heritage.

The Centre shall pursue the above objectives and perform the above functions in close coordination with existing UNESCO entities, initiatives and programmes concerned with the implementation of the World Heritage Convention in the Asia and the Pacific region.

Purpose

The main objectives of this evaluation are to assess the Centre’s performance with respect to its objectives and functions (see above), and its contribution to UNESCO’s Approved Programme and Budget (C/5), including global strategies and action plans as well as sectoral programme priorities. The conclusions of the renewal evaluation shall be submitted to the UNESCO Intersectoral Review Committee that will make the recommendation to the Director-General as to whether an agreement with the Centre should be renewed or not. Based on this recommendation, the UNESCO Executive Board will examine the renewal request, decide on the renewal or non-renewal of the designation of the Centre as a category 2 centre under the auspices of UNESCO and authorize the Director-General to conclude an agreement with the Government of India.

The conclusions of the renewal evaluation shall be shared with the Government of India and the Centre, and will be made available on the website of the 1972 Convention Concerning the Protection of the World Cultural and Natural Heritage (whc.unesco.org).
